Amy:

Not sure if this would be useful or not. Obviously, the Trustee does not still have this type of money or was able to sell the assets to gain this type of money but it may be something worth looking at or discussing.

Thanks

Subject: CES

Sorry for the delay, I forgot to forward the information we discussed concerning CES assets. The list was filed with David J. Bradley (Harris County Clerk) as Case 10-36924 Document 79 Filed in TXSB on 09/03/10. The itemized summary identifies all of CES assets at \$136,712,658.57 and liabilities of \$8,707,978.34.

The itemized summary of unpaid receivables could be of assistance to the Lubrizol Group in identifying and establishing additional RPs.
